

## Emissions Combi Station ACTIGAS 705 - for petrol and diesel engines

The ACTIGAS 705 Combi Station is designed for emissions tests on petrol and diesel engines.

- The cornerstone of diagnostic and emission testing stations of **ACTIA CZ**.
- **MFS** is essentially a central control system which can be linked to a wide assortment of measuring and diagnostic modules from the Multi-Diag system to create a custom-made device based on the specific requirements of the repair shop or inspection station.

### AT857 COMBINED EMISSION STATION ACTIGAS 705 CZ

Combined emission testing station **ACTIGAS 705 CZ** is designed for complete emission measurement on **spark ignition** and **compression ignition engines**.

#### The station ACTIGAS 705 includes:

- 1 • Mobile stand
- 2 • AT505 ..... Gas analyser module for testing petrol engines
- 3 • AT605 ..... Opacimeter module for testing diesel engines
- 4 • AT113 3045 ..... **RT Module 3** (RPM and Temperature sensor) BlueNet
- 5 • AT103 3020 ..... Oil temperature sensor G0,8m / 6m (sensor / cable)

#### Option:

- 13

## AT857 5100 Emissions Station ACTIGAS 505 for petrol engines

The ACTIGAS 505 Emissions Station is dedicated for testing petrol engines only.

#### The station ACTIGAS 505 includes:

- 1 • Mobile stand
- 2 • AT505 ..... Gas analyser module for testing petrol engines
- 4 • AT113 3045 ..... **RT Module 3** (RPM and Temperature sensor) BlueNet
- 5 • AT103 3020 ..... Oil temperature sensor G0,8m / 6m (sensor / cable)

#### Option:

- 12
- 13

## AT857 6100 Emission station ACTIGAS 605 for diesel engines

The ACTIGAS 605 Emissions Station is dedicated for testing diesel engines only.

#### The station ACTIGAS 605 includes:

- 1 • Mobile stand
- 2 • AT605 ..... Opacimeter module for testing diesel engines
- 4 • AT113 3045 ..... **RT Module 3** (RPM and Temperature sensor) BlueNet
- 5 • AT103 3020 ..... Oil temperature sensor G0,8m / 6m (sensor / cable)

#### Option:

- 9
- 11
- 12
- 13

#### Mobile stand includes:

- 1 • 24" LCD TFT Monitor (LED backlight)
- Further accessories
  - Keyboard and mouse
- 14 • AT157 4001 IR remote control

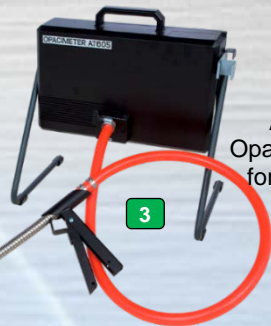

- Integrated ACTIBOX with accessories
  - Processor: Intel Celeron J1900 2GHz 64Bit
  - RAM: 4GB DDR3L (8GB)
  - SSD: 120 GB
  - System: Windows 10 IoT 64Bit

1  
 AT857 x100  
 Mobile stand

2  
 AT505 2003  
 Gas analyser module  
 for testing petrol engine

3  
 AT605 2000  
 Opacimeter module  
 for testing diesel  
 engines

4  
 AT113 3045  
 RT Module 3 BT  
 (RPM and  
 Temperature sensor)

5  
 AT103 3020  
 Oil temperature sensor G0.8 m

10  
 AT103 3021  
 Oil temperature sensor G2 m

6  
 AT104 3023  
 Truck sampling  
 probe diameter 27  
 mm  
 (3.5 m)

7  
 AT8574021  
 A4 laser printer (mono, duplex)

8  
 AT103 3031  
 Vibration RPM sensor  
 RT2/3 (6m)
